

'World Water Day' to be celebrated with exhibition at Central Administration Complex

Caribbean Youth Environment Network
Monday, March 14th, 2011 at 11:58 am

Caribbean Youth Environment Network

The Caribbean Youth Environment Network celebrating this year's World Water Day with an Exhibition at the Central Administration Complex.

Did you know that by turning off the water while brushing your teeth can save 1 gallon of water?

Join the Caribbean Youth Environmental Network BVI (CYEN) in celebration of WORLD WATER DAY on Tuesday, March 22.

The CYEN is inviting the BVI to their WORLD WATER DAY Exhibition at the Central Administration Complex East Atrium from Monday, March 21 – Friday, March 25.

Come out and view the displays and learn new and interesting facts about water conservation related to the BVI and the Greater Caribbean.

Remember, turn off your faucet to keep those pennies in your pocket.

The Caribbean Youth Environment Network (CYEN) is a regional non-profit, non-governmental youth organisation dedicated to improving the quality of life of Caribbean youth. It aims to promote youth to take positive action on issues related to the environment and sustainable development.

CYEN has members and affiliates in seventeen Caribbean territories. Since its creation in 1992, the Network has coordinated or participated in a number of activities and projects at the national, regional and international levels.

For more information on CYEN and membership in the BVI chapter please visit our website at www.cyen.org or contact CYEN-BVI National Coordinator, Lenette Lewis at tel: 284 540 5140 or email: britishvirginislands@cyen.org or cyen.bvi@gmail.com
